

June 3, 2020

Firstly, I would like to apologize for the late update. Every time we tried to update, different implementations occurred. However, I do take the blame for the lack of communication with the ever changing situation.

I am proud of all the residents for your diligence in keeping Covid 19 out of Irricana. Your hard work and determination has helped immensely – so thank you!

Having said that, the Town of Irricana has updated the following:

Town office: closed to the public (will update June 15th) – the Town can be reached via phone (403) 935-4672 or the CAO (403) 463-0190

Firehall: closed to the public

KIK: closed

Splashpark: closed until further notice – we will be monitoring it as Alberta Health dictates

Playgrounds: Open – please note that social distancing rules still apply. Equipment not disinfected by Town.

Campground: Open Friday, June 5th – self-contained units only, public washrooms closed, please note that social distancing rules still apply.

Sports day: Cancelled

Junior Rodeo: postponed to September 26th

Irricana Lion's meetings: cancelled until further notice.

Irricana Town Council meetings: next meeting to be June 15th.

Utility bills: we have waived the late fees/penalties through to September 30th.

Property taxes: we have waived the late fees/penalties through to September 30th.

These are definitely trying times for everyone. Rest assured, we are in contact with the province on a constant basis for the latest updates, changes, etc.

We want all Irricana residents to be safe and healthy.

Should you want to reach out and call me, I can be reached at 403-333-5523 or email: frank@irricana.com
