Community Links would like to invite families with child 0-18 months to be part of a wonderful opportunity. The Baby Kit program provides families who may be experiencing financial challenges to receive a list of baby items including a toy, snack, feeding supplies, a Superstore gift card, and more. You can receive your Baby Kit in two ways:

- 1) Accessing through programs of Community Links that have embedded specific program content on Post Partum (This includes Baby Babbie, Baby Networks and Pregnancy and Beyond)
- 2) Self Referral through Intake. Current proof of income information for your household will be required and recipient must be below an economic threshold determined by the LICO scale. Community Members **MUST** be from within our Service Area including Airdrie, Beiseker, Crossfield, Irricana and the North Rocky View Area. (Proof of Residence may be required)

This is an opportunity for Community Links to connect with new families with information, resources and referrals to appropriate programming (within the agency and community).

One per household please

This two-year project was made possible by a generous Anonymous Donation to Community Links. It is intended to enhance existing programs and services. It is not the primary funder of these programs and services.
