REGULAR MEETING OF COUNCIL

Council Chambers, Irricana Centennial Centre, 222 2 Street

Date: February 05, 2024 Time: 7:00PM

A. ATTENDANCE

Mayor: Jim Bryson
Deputy Mayor: Julie Sim
Councillors: Nathaniel Fleming, Lisa McAree, Kim Schmaltz
CAO: Doug Hafichuk
Staff: Patricia Malthouse

B. CALL TO ORDER

The meeting was called to order by Mayor Bryson at 7:00 pm.

C. AGENDA

- (i) Adopt Agenda
010:24 Moved by Councillor McAree to adopt the Agenda, as presented.
CARRIED

D. PRESENTATIONS

- (i) None

E. MINUTES

- (i) Minutes of the Regular Meeting of Council for January 22, 2024
011:24 Moved by Deputy Mayor Sim to accept the Minutes of the Regular Meeting of Council for January 22, 2024, as presented.
CARRIED

F. CORRESPONDENCE FROM PREVIOUS MEETING

- (i) None

G. COMMITTEE REPORTS

- (i) None

H. OLD BUSINESS

- (i) None

I. NEW BUSINESS

- (i) Item I1: Enforcement Services Update

012:24 Moved by Councillor Fleming that Administration's report be received for information.

CARRIED

- (ii) Item I2: Water Meter Replacement Update

013:24 Moved by Councillor Schmaltz that Administration be authorized to establish payment plans, up to 24 months in length, as described in this Report to Council.

CARRIED

J. COMMUNICATION / INFORMATION

- (i) Item J1: Marigold Library Notes to Council (January 2024)

K. COUNCILLOR UPDATE

- (i) Roundtable Discussion

L. CLOSED SESSION

- (i) None

M. ADJOURN

- (i) Adjournment

014:24 Moved by Councillor McAree to adjourn the meeting at 7:37 pm.

Jim Bryson
Mayor

Doug Hafichuk
Chief Administrative Officer

To: Mayor and Council
From: Chief Administrative Officer
Date: February 20, 2024
Purpose: **Provided for Information**
Subject: 2024 Waterworks System Inspection

Summary:

Alberta Environment & Protected Areas conducted a routine compliance inspection of the Town of Irricana Water Distribution System on January 31, 2024.

Background and Discussion:

Alberta Environment & Protected Areas, AEPA (Formerly Alberta Environment & Parks, AEP) conducted a routine inspection of the Town of Irricana Water Distribution System on January 31, 2024.

Inspections are used to assess compliance with operating requirements (e.g., EPEA), and include an onsite inspection of facilities, discussions with operations / administrative staff, and a review of technical and non-technical documentation.

The information gathered is used to determine if any contraventions have occurred, and to complete a risk assessment which establishes if any *health, operational, or administrative* risks exist in relation to system operation.

The last inspection was conducted in April 2022, at which time the Regulator identified multiple areas of risk, summarizing that:

"Overall the inspection identified health, operational, and administrative risks. Significant work is needed by the Town of Irricana to address these issues."

Follow-up investigations by Provincial and Federal regulatory bodies resulted in the Town of Irricana being issued a formal Warning Letter¹ for contravening the Code of Practice, and a Written Warning² for failing to provide annual wastewater reporting.

¹ EPA, Item J1, September 5, 2023, Regular Meeting of Council

² DFO, May 15, 2023, Regular Meeting of Council, Item J1

Since the April 2022 inspection, the Town of Irricana has taken action to address risks and contraventions, including contracting operations to a qualified operator and initiating a longer-term strategy to upskill municipal staff, improve operational practices, and address gaps in documentation.

January 2024 Inspection Results

The January 2024 inspection reviewed records and activities since the April 2022 inspection, however, it focused largely on system performance since March 2023, when Rocky View Utility Corp was contracted as the official operator following the February 2023 Water System Event³.

Assessment of Health Risks

The Town of Irricana performed well, with no Health Risks identified.

Of specific note, findings included:

1. Chlorine residuals were always well within guidelines and never exceeded.
2. MAC and THM levels were always well below guidelines and never exceeded.
3. Remote monitoring is in place; The system can initiate an operator callout.
4. Six qualified operators (all Level 2) are available, including backup coverage.

Assessment of Operational Risks

The Town of Irricana performed well, with no Operational Risks identified.

Of specific note, findings included:

1. Key equipment (Chlorine and turbidity meters, chlorine analyzer) is professionally calibrated (Most recently in May 2023).
2. Monthly testing is completed on handheld testing equipment, with results documented and reported.
3. Additional sampling locations have been added since previous inspections, and the nineteen locations are well representative of the broader system.
4. Lead and THM testing is completed per the Code of Practice and well below guidelines.
5. Bac-T resampling was not required in 2023 as no tests failed in 2023.
6. No operational contraventions were found.

Administration notes that the date of the last detailed water balance / audit is unknown, however, indicative numbers suggest a loss rate of ~21.4% (2022 values).

³ Item I1, May 1, 2023, Regular Meeting of Council

Assessment of Administrative Risks

The Town of Irricana has improved significantly, but Administrative Risk remains.

Of specific note, findings included:

1. Unidirectional flushing has been completed and documented.
2. Required documentation (e.g., Code of Practice, Potable Water Regulations) is readily available for use.
3. Operators demonstrated "...excellent knowledge of the legislative content".
4. Annual reporting was submitted January 29, 2024, well ahead of the February 28, 2024, deadline.

While these observations were generally very positive, the inspection found that previously planned updates to both the Operations Program and Drinking Water Safety Plan (DWSP) have not yet been completed, resulting in a continued Administrative Risk.

Administration notes that annual planning with the system operator, coincidentally on the same day of the inspection, included prioritizing updates to both the Operations Program and DWSP in early 2024.

Further, the updates will be used as a starting point for a more expansive update of key documents and processes, conducted annually.

Pending confirmation of remaining details (e.g., Specific timelines), an update will be shared with the Regulator for reference and accountability.

Financial Implication(s):

No financial implications. The report is provided for information only.

Recommendation:

Administration recommends that the report be received for information.

Recommendation Motion(s):

Option #1:

Motion #1: **THAT** Administration's report be received for information.

Option #2:

As determined by Council.

Respectfully submitted,

"Doug Hafichuk"

Chief Administrative Officer

Attachment 'A' – Cover Letter from AEPA

February 7, 2024

Doug Hafichuk
CAO
PO Box 100, 222 – 2nd St
Irricana, AB T0M 1B0

Subject: Compliance Inspection of the Irricana Waterworks System

Alberta Environment and Protected Areas (AEPA) conducted an inspection of the Irricana waterworks system on January 31, 2024. At the time of the inspection, the waterworks was required to be in compliance with their waterworks registration No. 223332 and meeting all the requirements of the "Code of Practice for Waterworks Systems Consisting Solely of a Water Distribution System (COP)" as issued under the Environmental Protection and Enhancement Act (EPEA). The Town of Irricana is the registration holder for the waterworks system.

The AEPA Potable Water System Risk-Based Inspection Assessment is divided into three sections: health, operational and administrative. Each section is scored independently and requires every question to score a 3 or higher to pass. Each question is based on a rating between one and four with one being the lowest rating and four being the highest. A rating of either a one or two on any question will assess a risk for that section.

Attached for your information and attention is a copy of the inspection report prepared by AEPA as documentation of the inspection. The inspection was conducted with operator Cole Bruens. A risk-based assessment was completed by AEPA and the Waterworks System failed the administrative component, but it passed the health and operational components of the risk assessment.

If you have any questions regarding this letter or would like any additional information, please contact the undersigned, nikola.sikolova@gov.ab.ca or 403-297-5407.

Sincerely,

Nikola.Sikolova

To: Mayor and Council
From: Chief Administrative Officer
Date: February 20, 2024
Purpose: **Provided for Information**
Subject: Office Closure (Emergency Management Training)

Summary:

The Town Office will be closed on February 29, 2024 to facilitate a Regional Emergency Management Training exercise.

Background and Discussion:

As previously shared with Council¹, Rocky View County has secured \$50,000 in grant funding to conduct a full-scale regional emergency management training scenario in 2025. In preparation for that event, and in support of general regional preparedness, a table-top exercise will be held in Crossfield on February 29, 2024.

The table-top exercise is an opportunity for each municipality to assess its current emergency management capacity and for regional partners to identify necessary improvements, in a controlled environment, well before they are needed.

Current State and Capacity Building

The Town of Irricana has both a local Emergency Management Plan and an Evacuation Plan, however, significant staff turnover in recent years has eroded its ability to execute those plans in a skillful, comprehensive manner.

While the Town remains capable of addressing minor events, the ability to manage complex or large events needs to be rebuilt in order to reduce dependence on outside expertise (e.g., Regional partners) who themselves may not always be available to provide assistance.

To rebuild internal capabilities, Administration is prioritizing emergency management training for staff. The immediate priorities include:

1. Providing Basic Emergency Management (BEM) training to all full-time staff.

¹ Item I6, January 22, 2024 Regular Meeting of Council

2. Providing Incident Command System (ICS-100) training to all full-time staff.
3. Completing an 'all-team' review of current Emergency Management plans.

Training will be conducted throughout 2024, as training sessions are made available (typically through Rocky View County), will the objective of having all staff BEM and ICS-100 certified by the end of the year.

Further ICS training (ICS-200, ICS-300) will be provided to staff who may be called upon to serve specific roles (e.g., Section Chief) during an emergency. Similarly to BEM and ICS-100 training, the timing of the training will largely depend on the timing of course offerings.

Building an Emergency Management Culture

Providing services to residents is the core function of a municipality, including the ability to assist residents during times of emergency. While it is unrealistic to expect small communities to prepare for every eventuality (Hence the benefit of Regional Partnerships), embedding emergency management thinking into the culture and decision-making is of significant value.

Participating in local and regional learning sessions, such as the scheduled table-top exercise, are important opportunities for staff to gain exposure to emergency management principles, elevate their own knowledge levels, and build supportive relationships with other emergency management practitioners.

The regional table-top exercise is key opportunity for Irricana to expose staff to emergency management topics, have important discussions about local preparedness and response, and begin embedding emergency management into the daily culture.

To maximize the number of staff that can participate, the Town Office will be closed on February 29, 2024, although a skeleton staff will remain to support the 2023 Financial Audit (scheduled same day) and respond to critical public works issues.

Financial Implication(s):

No financial implications. The report is provided for information only.

Recommendation:

Administration recommends that the report be received for information.

Recommendation Motion(s):

Option #1:

Motion #1: **THAT** Administration's report be received for information.

Option #2:

As determined by Council.

Respectfully submitted,

"Doug Hafichuk"

Chief Administrative Officer

Purpose: **Provided for Information**
Subject: Chief Administrative Officer Report

Summary:

This report from the CAO provides a high-level summary of key Administrative and Public Works activities from January 18, 2024 to February 14, 2024.

Background and Discussion:

The Chief Administrative Officer provides updates to Council on key initiatives, issues, and activities which may impact the Community or Council decision making, and this report emphasizes activities between January 18, 2024 to February 14, 2024.

Key Meetings & Discussions

1. Administration met with Ken Klassen to discuss the 2023 Car Cruise & Community Showcase and begin exploring a similar event for 2024. Discussions will continue throughout February and March.
2. Administration met with Ag Society representatives for continued discussion on operating leases for the Recreation Centre and Founders Park. Discussions were positive and productive.
3. Administration and Mayor Bryson met with Tanya Thorn (Director, Alberta Municipalities) as part of AB Munis' efforts to engage with Members. Topics of discussion included the current provincial drought conditions, managing community growth, and developing resolutions for debate at the 2024 convention.

Economic Development Activities

1. A Development Permit Application was conditionally approved for a Licensed Childcare Facility in Irricana; Owners continue to work with the Development Officer to meet the conditions imposed and to finalize Provincial Licensing.

Financial Activities

1. Scase & Partner is scheduled to be onsite February 28 and 29, 2024 in support of the 2023 Financial Audit.
2. Vendor Setup and Financial Activity (e.g., A/P, A/R) processes are being reviewed to improve workflows and simplify conducting business with the Town.
3. Mortgage renewal options continued being pursued for (31 acres at Lot 1, Block 2, Plan 0514328), scheduled to renew in March.
4. A thorough review of the Town's insurance policies is underway. Current coverages, deductible limits, updates to replacement cost values for major facilities, and the general insurance market have put significant upward pressure on premiums (~+\$13,000 for 2024).

Administrative Activities

1. Greg Perrault joined the Town of Irricana as the Manager of Public Works on January 22, 2024.
2. Preparations are underway for Council Strategic Planning on April 19-20, 2024. Strategic Steps has been engaged to complete preparatory activities, facilitate the workshop sessions, and produce a consolidated report by June 30, 2024.
3. Workforce training is underway; Three workplace safety training modules (WHMIS, OH&S, Violence & Harassment) have been provided for staff. The initial coursework is part of a broader training initiative to improve safety and emergency management awareness and will continue throughout 2024.
4. Preparations are being made for 2024 Property Assessment Notices; Assessment information is expected to be received prior to February 29, 2024, with Assessment Notices to be issued in March.

Public Works Activities

1. AHS inspected the Community Hall to assess its continued viability as an Emergency Facility (e.g., Reception centre). The inspection noted several minor non-compliances which are now being addressed.
2. Alarm systems in Town facilities have undergone inspection and updates.
3. Quotes are being sought for janitorial services for Town of Irricana facilities.
4. Alberta Environment and Protected Areas completed an inspection of the water distribution system (See Item I1 of the Agenda).

5. 2024 operational planning with Rocky View Utility Corp was completed on January 31, 2024. Key initiatives include a comprehensive update to Operational Manuals and the Drinking Water Safety Plan, and exploring investments in GIS and Scada.
6. Water meter replacements continue, with staff completing 6 replacements in February (up to February 14). An RFP will be released (via Alberta Purchasing Connect) in March to identify parties interested in completing the remaining ~400 units by the end of 2025.
7. Scheduling is underway for 2024 Pest and Weed Control Activities, including early coordination between the Town and impacted user groups.
8. Traffic counters have been received and staff training has begun. The traffic counters will be deployed throughout the community, typically for several days at a time, at various locations.
9. A significant 'Near-miss' was recorded at the Community Hall on February 12, 2024. A cracked heat exchanger in the furnace resulted in a sizeable explosion. No injuries were sustained, repairs are underway, the building remains safe for occupancy.

Financial Implication(s):

No financial implications. The report is provided for information only.

Recommendation:

Administration recommends that the report be received for information.

Recommendation Motion(s):

Option #1:

Motion #1: **THAT** the Chief Administrative Officer Report be received for information.

Option #2:

As determined by Council.

Respectfully submitted,

"Doug Hafichuk"

Chief Administrative Officer

February 9th, 2024

Inspector Lauren Weare
Officer in Charge
Airdrie/Beiseker, Alberta

Dear Mayor and Council,

Please find the quarterly Community Policing Report attached that covers the October 1st to December 31st, 2023 reporting period. The attached report serves to provide a quarterly snapshot of the human resources, financial data and crime statistics for Irricana.

I would also like to update you on one of our current technological endeavours. Over the last decade, the RCMP has utilized Remotely Piloted Aircraft Systems (RPAS) to support our specialized units, i.e. our Emergency Response Teams – which has been incredibly effective for enhancing police and public safety. Although the advancement of technology benefits industry and recreation, it facilitates greater accessibility for criminals, which requires a strategic response. To remain current in our ever-changing environment, and to be responsive to public reviews that call for better access to air support such as the Nova Scotia Mass Casualty Commission of Inquiry, we are actively researching and testing new technologies in a policing environment to enhance public safety. One such technology is how we might use RPAS for potential new police applications. This includes how we might use RPAS to assist with select calls for service, crime photography, search and rescue, and unfolding critical incidents, i.e. an active shooter. With its potential and capability for wider applications, we are further considering program options for our municipal, rural, and Indigenous communities; scalable depending on community need and interest. While we will always need a helicopter and fixed-wing aircraft for the movement of resources, these larger assets are not always immediately available. RPAS technology is providing an opportunity for our communities to effectively have their own police air support, at a significantly lower cost. As I learn more about further opportunities and challenges, I will be sure to keep you updated and informed.

Your ongoing engagement and the feedback you provide guides our Detachment team, and supports the reinforcement of your policing priorities. I always remain available to discuss your community-identified policing priorities and/or any ideas you may have that will enhance our service delivery to address the priorities that are important to you. As the Chief of Police for your community, I invite you to contact me should you have any questions or concerns.

Community Consultations

Date	2023-10-23
Meeting Type	Meeting with Stakeholder(s)
Topics Discussed	General Discussion
Notes/Comments	NCOi/c meeting with Irricana CAO

Community Priorities

Priority 1	Crime Reduction - Project AirOW
Current Status & Results	<p>Airdrie / Beiseker integrated Rural using Project AirOW have been monitoring 4 subjects in the rural area - 2 of these subjects were added in December.</p> <p>One of the subjects was removed in November.</p> <p>There have been approximately 25 checks on these subjects.</p> <p>Compliance checks have revealed no breaches of conditions.</p>
Priority 2	Community Engagement
Current Status & Results	<p>Members work to maintain an increased visibility and accessibility in Irricana. The Rural Sgt. meets regularly with the CAO and the CPOs. The relationships remain strong with excellent communication.</p> <p>Members attended Remembrance Day Ceremony for the 3 communities held in Acme - 2 Red Serge members attended. One member also attended Cenotaph ceremony in Irricana.</p>
Priority 3	Road Safety
Current Status & Results	<p>Members working with the Airdrie / Beiseker detachment area conduct regular patrols and enforce traffic laws as applicable. In this quarter there have been at least 87 traffic enforcement activities which include tickets and warnings.</p> <p>21 checkpoints were conducted in the various areas/communities of the detachment area</p> <p>There were also 4 scheduled enhanced overtime shifts which were planned to have added traffic/impaired enforcement in the rural areas. Each shift was to have 2 members on shift who would lead the rest of the members in conducting additional enforcement and checkpoints. Two of these shifts had to be re-deployed due to operational pressures - first with manpower shortage and the other due a need to supplement resources on an aggravated sexual assault investigation. The other two went off as planned and resulted in numerous checkpoints being conducted along with supplementing the watch and addition traffic enforcement and high visibility patrols.</p>

Crime Statistics¹

The following table provides policing statistics on actual offences within the periods listed. Please see Appendix for additional information and a five-year comparison.

Category	October - December			January - December		
	2022	2023	% Change Year-over-Year	2022	2023	% Change Year-over-Year
Total Criminal Code	55	57	4%	329	281	-15%
<i>Persons Crime</i>	15	10	-33%	78	53	-32%
<i>Property Crime</i>	39	37	-5%	218	194	-11%
<i>Other Criminal Code</i>	1	10	900%	33	34	3%
Traffic Offences						
<i>Criminal Code Traffic</i>	2	5	150%	9	13	44%
<i>Provincial Code Traffic</i>	77	48	-38%	425	285	-33%
<i>Other Traffic</i>	0	0	N/A	1	2	100%
CDSA Offences	0	0	N/A	3	2	-33%
Other Federal Acts	0	0	N/A	4	4	0%
Other Provincial Acts	25	19	-24%	119	103	-13%
Municipal By-Laws	2	7	250%	10	12	20%
Motor Vehicle Collisions	71	42	-41%	168	147	-13%

1. Data extracted from a live database (PROS) and is subject to change over time.

Trends/Points of Interest

Crime stats noted above are reflective of totals in the Provincial service area for the Beiseker Detachment and indicate a substantial decrease in persons crime while actual Irricana specific stats indicate no change in persons crime numbers. The above noted stats indicate a marginal decrease in property crime but actual Irricana specific stats indicate a marginal increase.

Provincial Police Service Composition Table²

Staffing Category	Established Positions	Working	Soft Vacancies ³	Hard Vacancies ⁴
Police Officers	5	4	1	0
Detachment Support	2	1	0	1

- 2. Data extracted on December 31, 2023 and is subject to change.
- 3. Soft Vacancies are positions that are filled but vacant due to maternity/paternity leave, medical leave, etc. and are still included in the overall FTE count.
- 4. Hard Vacancies reflect positions that do not have an employee attached and need to be filled.

Comments

Police Officers: Of the five established positions, four officers are currently working with one officer on special leave (Medical).

Detachment Support: Of the two established positions, one resource is currently working with staffing processes ongoing to fill the soft vacancy (medical). Workload has been re-aligned among Beiseker and Airdrie PSEs.
