

GATEWAY GAZETTE

**Utility Bills Moving to Monthly Billing**

To better serve customers and provide a more consistent and manageable billing service, the Town of Irricana will be transitioning from bi-monthly utility bills to monthly utility bills in September, 2024. This change will allow customers to plan and budget more effectively with smaller, more regular payments. In our ongoing efforts to enhance convenience, reduce environmental impact, and manage the cost of delivering services, we will also be transitioning from paper billing to electronic billing. Beginning in September 2024, utility bills will be delivered via email. This change will ensure more timely delivery of your bills and reduce paper waste. Paper copies can still be provided upon request, however a \$5.00 fee will apply.

Visit our website for more information.

FCSS Programs

NEW Announcing the new Irricana Yard Angel Program!

This Summer, we're launching a brand-new initiative to help those in need while beautifying our Town. Just like the Snow Angel Program, the Yard Angel Program connects neighbours in need with neighbours willing to lend a hand... and a mower! Here's how it works: If you need help with lawn care, grab your yard sign from the Town Office or request your sign. Place the sign in your yard, and help will be on the way. Want to stay anonymous? Just give us a call or fill out the online form.

And if you see a Yard Angel sign, feel free to pitch in by mowing or raking! Just remember to respect your neighbour's property including structures, furniture and plants. When you're done, please return the sign to the Town Office or request our Public Works Team to pick it up. Let's work together to keep Irricana looking its best!

Yard Angels are needed so we can match up those in need with a helper! Are you interested? Fill out the online form to get on our Angel List.
