# IRRICANA Council Report

**To:** Mayor and Council

**From:** Chief Administrative Officer

**Date:** August 11, 2025

**Purpose: Request for Decision** 

**Subject:** Appointment of Marigold Library System Representative

# **Summary:**

Seeking Council's approval to appoint Ms. Dawn Mosondz as the Town of Irricana's representative to the Marigold Library Board.

# **Background and Discussion:**

The Marigold Library System is a not-for-profit membership collaborative consisting of 42 municipalities in Southern Alberta. It provides cost-effective, quality public library service by pooling resources and capitalizing on partnerships to obtain and deliver valuable services and products at the lowest possible cost.

Through its regional network, Marigold offers:

- Access to expanded collections, technology, and online resources
- IT infrastructure and technical support
- Professional expertise and training opportunities
- Regular delivery of library materials
- Collaborative purchasing and cost efficiencies

This regional support allows the Irricana & Rural Library Board to focus on frontline service to the community while leveraging Marigold's infrastructure, training, and resources behind the scenes.

# **Appointment of Local Representation**

Active local representation within Marigold ensures that Irricana's interests and priorities are considered in regional decision-making. It also strengthens the connection between the local Library Board and the broader network, enabling effective advocacy for resources, programming, and services that benefit our community.

The Irricana & Rural Library Board has recommended that Ms. **Dawn Mosondz** be appointed as Irricana's representative to the Marigold Library Board. Ms. Mosondz was previously appointed by Council to the local Library Board and currently serves as its Chairperson. Her leadership role, knowledge of the library's operations, and commitment to community service position her well to represent Irricana at the regional level.

A copy of the Board's meeting minutes recommending her appointment is included for Council's reference, as Attachment 'A'.

# **Options**

- 1. **Appoint Ms. Dawn Mosondz** as the Town of Irricana's representative to the Marigold Library Board.
- 2. **Decline to appoint** and request the Irricana & Rural Library Board to provide an alternate recommendation.

# **Financial Implications**

Meeting attendance is on a volunteer basis and is not remunerated by the Town of Irricana. As such, there are no financial or budget impacts associated with the appointment.

#### Recommendation:

That Council appoint Ms. Dawn Mosondz as the Town of Irricana's representative to the Marigold Library Board, effective immediately.

# **Recommendation Motion(s):**

#### Option #1:

Motion #1: **THAT** Council appoint Ms. Dawn Mosondz as the

Town of Irricana's representative to the Marigold Library Board, as recommended by the Irricana &

Rural Library Board.

# Option #2:

As determined by Council.

# **Council Report**

**To:** Mayor and Council

**From:** Chief Administrative Officer

**Date:** August 11, 2025

**Purpose: Provided for Information** 

**Subject:** Update on Tri-Community Peace Officer Program

# **Summary:**

To update Council on recent structural and operational changes to the Tri-Community Peace Officer Program, undertaken to ensure the program's continued viability and better alignment with its original cost and value objectives.

# **Background and Discussion:**

The Tri-Community Peace Officer Program is a shared municipal enforcement initiative between the Town of Irricana, Village of Beiseker, and Village of Acme. Under the agreement, the Village of Beiseker holds the provincial appointments and serves as the direct employer of the Peace Officer, with costs shared among the partners on a 40% (Irricana) / 40% (Beiseker) / 20% (Acme) basis.

Since its inception in 2023, the program has been well received and has provided consistent bylaw enforcement and public safety services across all three municipalities. However, actual operating costs have far exceeded initial projections, largely due to higher-than-anticipated administrative support costs. This escalation threatened the program's long-term sustainability and required corrective action, and has been the subject of discussion between partners over the past year.

#### **Partner Consultation**

Before making any fundamental changes that could impact service delivery or costs, all three partners held multiple discussions to ensure that adjustments would not compromise the program's service delivery expectations, its operational model, or its overall viability. These changes are the result of lessons learned over the program's first two years and have been implemented with a shared commitment to improving efficiency and value.

#### **Administrative Changes**

The most significant adjustment is the elimination of dedicated administrative support staff. This change is expected to reduce overall program costs by approximately 25%.

The Town's 2025 budget allocated \$68,000 for its share of program costs, reflecting previous program adjustments and anticipating further cost reductions. With the recent changes, annual expenses are now projected to be closer to \$60,000 on a goforward basis – far closer to the original estimate of \$53,000 presented to Council when the program was first considered in 2023, and more aligned with the value originally envisioned. More refined figures will be available for Council's consideration during the Interim Budget process in December.

#### **Impact on Service Delivery**

Removing administrative support shifts certain duties – such as responding to phone calls and handling routine administrative tasks – directly to the Peace Officer alone. While this may slightly reduce the number of officer hours available for patrols, Administration believes a strong presence will be maintained in each community, and that the program's overall value will increase.

# **Scheduling Adjustments**

In response to operational lessons learned, the Peace Officer schedule is moving toward:

- **Single-community daily focus**, allowing for more on-site presence, same-day follow-ups, and improved resident interaction.
- Standardized five-day work week, primarily within normal Monday-Friday operating hours, complemented by regular evening and weekend coverage and participation in public events.

The previous model operated on a four-day, ten-hour schedule. Moving to a more standard five-day work week will also provide residents — and Administration — with more consistent access to enforcement services.

#### **Future Program Refinements**

As the program continues to mature, partners will continue to seek opportunities to refine operations and further enhance value. Potential improvements, such as simple technology upgrades, could strengthen communication with enforcement staff and provide clearer, data-driven insight into program performance.

# **Financial Implications**

The 2025 budget already reflects anticipated program cost reductions, with the finalized changes expected to result in a modest positive variance. Finalized cost impacts will be presented with the Interim Budget in December.

# IRRICANA Council Report

**To:** Mayor and Council

**From:** Chief Administrative Officer

**Date:** August 11, 2025

**Purpose: Provided for Information** 

**Subject:** Chief Administrative Officer Report

#### **Summary:**

This report from the CAO provides a high-level summary of key Administrative and Public Works activities from July 11, 2025, to August 7, 2025.

# **Background and Discussion:**

The Chief Administrative Officer provides regular updates to Council on key initiatives, issues, and activities which may impact the Community or Council decision-making. This report emphasizes activities between July 11, 2025, to August 7, 2025.

#### **Key Meetings & Discussions**

- Met with a Resident to discuss concerns regarding non-routine property compliance; the property in question is already scheduled for enhanced enforcement.
- 2. Met with Bluerock Planning to begin preliminary discussions on updating the Town's Municipal Development Plan.
- 3. Follow-up discussion with Applicant (D2025:003) regarding development of a light manufacturing facility in the Pioneer Industrial Park.
- 4. Met with the Executive Director of Boomer's Haven Animal Rescue Society (ENF-25-004) to review the status of the operation and explore potential avenues to achieve compliance with municipal regulations.

The discussion also acknowledged the logistical and emotional impacts associated with winding down or relocating the rescue if compliance cannot be achieved.

#### **Financial Activities**

- 2023 Audit: Submitted first round of data to Auditor and held internal re-kick-off meeting. Weekly team check-ins are in place to maintain momentum, with 2023 financials tentatively scheduled for presentation at the September 2, 2025 Regular Meeting.
- 2. Irricana Curling Club has not yet remitted lease payments for the Irricana Recreation Centre. Two \$5,000 installment invoices (March and May) remain unpaid; a final \$5,000 invoice is scheduled for September 1, 2025, with two reminder letters issued to date.

#### **Administrative Activities**

- 1. Collective Bargaining with CUPE Local 37 has concluded following in-person sessions on July 22, 24, and 31. A ratification vote for Members is being scheduled; further details are provided in Item L1.
- 2. Website redevelopment remains on schedule (via Loop), with sitemapping and content migration underway. Major build work is on track for August completion, with a tentative site launch in late September.
- 3. Established Alberta Purchasing Connection account, a widely used, provincially managed procurement portal that provides a consistent, centralized location for posting Town tenders, RFPs, and RFQs.
- 4. Staff-level exploratory discussions in preparation for developing a Communication Policy and Procedure (targeted for 2026). A coordinated, intentional communication strategy is essential for organizations serving a broad and diverse customer base.
- 5. Pioneer Industrial Park Subdivision (S2025-001) is nearing final endorsement, with the Plan of Survey and associated documentation complete. Development Agreement finalization and final site reviews remain in progress but are nearing completion.
- 6. Order to Remedy (File ENF-25-004, 309 3 Street) deadline has passed with no response or action. A scope of work has been prepared to obtain vendor quotes for clearing the site and returning it to a condition suitable for resale, redevelopment, or low-maintenance long-term holding. Subject to contractor response and availability, work is expected to be completed by the end of September.

#### **Public Works**

- 1. Recruitment for a Manager of Public Works continues as planned; first-round interviews are complete, with follow-up and selection activities underway. A new hire is expected to be in place by September 2025.
  - In the interim, an existing staff member has accepted an Acting Team Lead role to support day-to-day coordination and service delivery.
- 2. The Public Works Building has undergone a significant cleaning, improving safety by reducing clutter and trip hazards, enhancing organization for easier access to tools and equipment, and contributing to a greater sense of pride in the workplace.
- 3. Rainbow Park is receiving focused attention as part of the 2025 community greenspace program, with fencing and equipment maintenance underway, including fresh paint.
- 4. A Public Works employee completed a two-day workshop on Facility Operations and Maintenance. The Town continues to prioritize impactful training opportunities that enhance municipal skillsets and deliver value to the community.
- 5. The Water Meter Replacement Program RFP has been assigned to a third party for completion and management of the competitive bid process. The RFP is expected to be posted in August, with a proponent selected in September.
  - The Town intends to use CCDC Contract Forms to provide clear, industry-standard terms that reduce ambiguity, protect municipal interests, and help ensure fair and transparent contract administration.
- 6. A Scope of Work for the 2025 Road Maintenance Program is being finalized and will be assigned to a third party to manage the competitive bid process and contract administration. Bid documents are expected to be posted in August, with work scheduled for September.

# **Financial Implication(s):**

No financial implications. The report is provided for information only.

#### **Recommendation:**

Administration recommends that the report be received for information.

# Royal Canadian Mounted Police

Commanding Officer Alberta

#### Gendarmerie royale du Canada

Commandant de l'Alberta

June 25, 2025

His Worship Jim Bryson Town of Irricana PO Box 100, Irricana, AB TOM 1B0

#### Dear Mayor Jim Bryson:

I'm writing to introduce myself as the new Commanding Officer of the Alberta Royal Canadian Mounted Police (RCMP). It is an incredible honour to step into this role and lead a police service with such an extensive history of service to the communities and citizens of Alberta.

People are at the heart of everything we do. That includes the dedicated employees on the front lines and behind the scenes, the citizens we serve, and the communities and governments we proudly partner with. None of our work is possible without the commitment, support and collaboration of people.

With 37 years of policing experience - much of it in Alberta - I have seen firsthand how people working together can shape strong communities. I have witnessed the remarkable impact that this committed partnership can have, not only during moments of crisis, but in the everyday interactions that build trust and strengthen public confidence.

Trust is not something that is given; it is earned, day in and day out. My leadership is grounded in public trust, transparency, accountability, and meaningful results. These principles will guide how we serve you and the citizens you represent. I firmly believe that our success is rooted in the strength of our relationships with the communities we serve and the partners we stand beside. That is why I am committed to fostering strong, open, and meaningful connections with you, listening actively, and ensuring our work reflects the needs and values of your community.

While I am proud of the high-quality policing services the Alberta RCMP delivers, I also recognize that there is always room to evolve. We are embracing innovation and leveraging technology to enhance effectiveness. You can see through initiatives like the Real Time Operations Centre (RTOC) and the Remotely Piloted Aircraft Systems (RPAS) program, that the Alberta RCMP is embracing innovation and applying technology in ways that enhance how we serve, protect, and connect with the public.

One of the most pressing challenges we face today is staffing. Recruitment continues to be a top priority - but it is only part of the solution. Retention is equally critical. We are actively exploring new strategies to attract and retain dedicated employees who see the Alberta RCMP as not only a great place to work, but a place to grow, lead and make a difference.

We have an exciting path ahead. While challenges exist, so too do opportunities to modernize, to collaborate and to build an even stronger, more community-focused provincial police service.

Thank you for your ongoing partnership and support. I look forward to working alongside each of you to build safer communities and ensure they remain the best place to live, work and raise our families.

Yours truly,

Trevor Daroux, O.O.M. Deputy Commissioner
